1. Location, location, location! A couple hops, skips, and jumps away from the beach in the heart of Santa Maria.
2. These new accommodations are owned and run by Surf Zone, the most established and longest running Kite/Wind Surf School in Sal. Surf Zone also partners with Yoga Cabo Verde (island's only yoga studio).
3. When you book with us, we will send you an info sheet to help plan your holiday (diving, sailing, places to eat, drink, dance, kiting, yoga, inter island travel etc).
4. Our rooftop! One of the best views of Santa Maria! Here you can watch the sunrise and set over the ocean, meet new people, relax or just hang with our great friend the ocean.
5. We've been open less than a year, and we've had multiple clients stay with us again! The feelings of love and appreciation are mutual! And we understand if you have feelings of separation anxiety when you leave us; it's ok you can always come back to us.
6. You may as in you probably will leave us with a totally relaxed mind and body, a glowing face, stronger abs from laughing, a persistently occurring smile, interesting conversations, and memorable experiences.
